

Lackland AFB Entry Procedures

If you have valid identification that grants access to Joint Base San Antonio Lackland such as an active/retired Military ID, active Military-related civilian ID etc., all you have to do is show that card at any entry control point. If you do not have one of those cards and you want to access the base, please fill out the below form. Unfortunately, you can't ride in with a valid ID card holder if the base decides to conduct a Random Antiterrorism Measure (RAM). If they are not conducting a RAM, you can ride in with a valid ID card holder.

The FTVA will sponsor **FTVA members** on base for reunion related events. In order for us to sponsor anyone on base the JBSA Lackland Security Forces are required to run criminal background checks on each individual. To do this, they require visitor's full name, date of birth, driver's license/state ID number, and state of issue. If your state identification is not accepted under the REAL ID program (AK, KY, ME, MN, MO, MT, OK, OR, PA, SC, VA, WA), please also bring one of the following: U.S. Passport, Social Security number, Birth Certificate, Vehicle Registration, Vehicle Insurance, DD 214 or Marriage License with you to the Entry Control Point along with your driver's license. For more information about accessing JBSA-Lackland, see: <http://www.jbsa.mil/Home/Visitor-Information/JBSA-Lackland-Access-Requirements/>

If you will need to be sponsored onto JBSA Lackland, please fill out the below form and mail it to the below address **before September 24th, 2019**. You may also e-mail it to: membersupport@ftva.org. We cannot accept any requests after September 16th. **Also, we cannot accept request from anyone who is not an FTVA member.** We will create a list of sponsored guests and forward it to the Security Forces. They will perform a background check and have a list of authorized guests at the Luke (Gateway) East and Valley High gates.
